Attn: Maxine Koppe, Executive Director

Dear Maxine,

Re: NCLGA Resolution on time allotted for resolution debate at UBCM

Thank you for forwarding your resolution on time allotted for resolution debate at UBCM to our executive. It was discussed at our last executive meeting in August with the following comment.

SILGA would encourage the UBCM Executive to continue their efforts to streamline the resolution process to allow for a more efficient and effective debate at their upcoming AGM. The SILGA executive applauds the steps already taken including the YES/NO microphones, the timed lights and the electronic voting.

We look forward to a lively resolution debate at UBCM convention.

Thank you very much,

for
Harry Kroeker
President
