Dear Mayor Frazier:

Thank you for your letter of July 28, 2011 informing me of the North Central Local Government Association resolution B12 requesting the re-instatement of the funding for the Strategic Wildfire Prevention Initiative. I am pleased to inform you that the Government of British Columbia approved a transfer of \$25 million to the Union of BC Municipalities for the continuation of the Strategic Wildfire Prevention Initiative this spring. The first call for proposals was initiated earlier this summer and the response has been tremendous.

I would like to thank the North Central Local Government Association for their support for this important initiative that both reduces wildfire risks to communities and reduces wildfire suppression costs. We look forward to your continued participation in this valuable program.

Sincerely,

Brian Simpson
